PART VI

PUBLIC ADVERTISEMENTS

OFFICE OF THE PRINCIPAL INFORMATION OFFICER TO THE GOVERNMENT OF MYSORE. OLD PUBLIC OFFICES, BANGALORE.

Press Note.

Disposal of old stocks of foodgrains.

With a view to dispose of some old stocks of foodgrains lying with the Rajasthan Government, Government of India have permitted the export of the undermentioned quantities of foodgrains to other States through trade channels :—

Milo	...	...	60,000 maunds.
Jowar	...	...	50,000 do
Bejhar	...	...	45,000 do
Gojra	...	...	25,000 do

These exports will, however, be subject to the usual export and import permits to be obtained by the trade from the States concerned and the regulations regarding price and sale in force in the importing States. The Rajasthan Government will endorse copies of permits issued by them specifying price per maund, destination, etc., to the Governments of recipient States.

Such of the merchants of this State as intend to import the above stocks from Rajasthan may apply to the Director of Food Supplies in Mysore, Bangalore, for issue of import permits.

(P.N. No. 73—25-9-53).

Press Note.

Gram and Gram Products—Imports to Mysore.

The Government of East Punjab had, so far, restricted the issue of export permits to export gram from that State only to those foodgrains dealers of that State, who held licenses in gram and to growers of gram. Importers from Mysore had to arrange their requirements through negotiations with the Punjab traders. The Government of India have now issued necessary instructions to the East Punjab Government to issue export permits to the importers of Mysore State, subject to other conditions of the Gram and Gram Products (Export Control) Order, 1953, being duly fulfilled. The intending importers of gram of Mysore State may avail of this opportunity to import gram from East Punjab.

(P.N. No. 74—25-9-53).

Press Note.

The Government of Mysore have directed that the salary and establishment bills for the month of September 1953, of all Government Offices, Government Indusrrial Concerns and establishments of Local Funds in the State, may be paid at all the treasuries and the Reserve Bank of India, Bangalore, on the 30th September 1953, as a special case.

(P.N. No. 75—28-9-53).

Press Note.

It is hereby notified for general information that payment orders issued by the Treasury Officer, State Huzur Treasury, on the Reserve Bank of India are current for only ten days and that payment will not be made by the Bank thereon if presented after the period of currency. As the revalidation of such pay orders by the Treasury Officer entails extra work to the treasury and delay to the payees, the departmental officers and the general public are requested to take delivery of and receive payment on bills or cheques passed by the Treasury Officer, State Huzur Treasury, promptly.

(P.N. No. 76—28-9-1953).

Press Note.

Under the existing arrangements the scheme of separation of the Judiciary from the Executive has been in force in the district of Bellary in pursuance of the orders issued in that behalf by the Government of Madras. In pursuance of that scheme, there is one District Magistrate (Judicial) for the Bellary District and the Collector, Bellary District, is the Additional District Magistrate of that District.

In connection with the impending transfer of the seven taluks of Bellary District to the State of Mysore with effect from 1st October 1953, the question as to whether the existing arrangements in respect of the appointments of District Magistrate (Judicial) and District Magistrate (Executive) should continue in Bellary District even after 1st October 1953 has been under the consideration of the Government of Mysore, and after a careful consideration of all the aspects of the case, it has been decided to appoint the Deputy Commissioner, Bellary District, as the District Magistrate of Bellary District with effect from 1st October 1953 without making any distinction between the District Magistrate (Judicial) and District Magistrate (Executive), in consonance with the prevailing practice in the State of Mysore.

A scheme for the separation of the Judiciary from the Executive in the State of Mysore has been formulated and is under the active consideration of the Government of Mysore and it will be introduced into all the districts in the State uniformally at the earliest possible date as soon as the proposals are finalised.

(P.N. No. 77—29-9-1953).

Press Note.

The Government of India have, in their letter No. Py. II-656 (2)—53, dated 12th September 1953, communicated their decision to allow import of self-raising flour, maize and barley on trade account from abroad during the current licensing period July-December 1953, and have stated that while self-raising flour is allowed to be imported by actual users only, the applications for the imports of maize and barley will be considered *ad-hoc* by the Chief Controller of Imports.

Since the quantities of self-raising flour so imported from abroad would not be large, they have decided that there should be no restrictions on its movement from one State to another nor should there be any limitations on its price, sale and distribution and that it may be allowed to be used in the manufacture of cakes, pastries and breads, the eatables prepared out of it not being restricted to any austerity regulations except those already provided for in the general rule regarding entertainments.

Maize and barley which may be imported from abroad, have been allowed to move also from one State to another subject to the condition that the exporter/importer will have to obtain export/import permits from the State Governments concerned. There are also no restrictions on the price, sale and distribution of imported maize and barley.

(P.N. No. 78—30-9-53).

B. N. SRI SATHYAN,
Principal Information Officer.
